REPORT OF ELECTRIC LIGHT COMMITTEE

The line was extended to the residences of Mrs. Ella Robinson and I. W. Mailman according to the vote taken at the last annual meeting.

New customers added to the line during the year include Mrs. Ella Robinson, I. W. Mailman, Florence Duckering and Jenny Gurney.

The total income for the year was $5,669.80 which was somewhat less than the previous year.

The relocation of the poles on the Stoddard Road made necessary by road construction was completed and several poles on the Bonds Corner Road were moved for the same reason.

The trimming program started several years ago was completed and it should not be necessary to spend any more money for this purpose for some time.

A representative of the New England Telephone and Telegraph Co., made an inspection of all jointly owned poles and as a result, it will be necessary to replace a total of 240 poles this coming year. The Replacement Fund was originally established for this purpose but it was depleted by the expense of repairs and replacements after the hurricane of 1938. Consequently, the Town will have to make an appropriation for their share of this work.

We herewith submit a financial report for the year:

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE SCHOOL BOARD OF HANCOCK

I submit my eighth annual report, the statistical summary of the Hancock Schools for 1940-1941, and the report of the school nurse, Miss Margaret E. Harris.

The enrollment for the fall term of the present school year was 118. For the same period last year it was 121.

	Primary		Intermediate		Grammar		Junior High		Senior High				
Grades	I	II	III	IV	V	VI	VII	VIII	IX	X	XI	XII	Total
Boys	3	8	7	4	5	3	1	6	4	9	3	1	54
Girls	5	6	5	4	10	6	12	5	2	1	5	3	64
	8	14	12	8	15	9	13	11	6	10	8	4	118

This enrollment has been reduced by some families moving from town between the opening of school in September and the Christmas vacation.

After eight years of valuable service Mr. Craig resigned his position to accept the principalship of a school in Acton, Mass., and Mrs. Colby, who had taught three years in the intermediate grades, and was far from well during the winter and spring of the school year 1940-1941 did not return, and she has since passed away.

Mr. Horace S. Schnare of Andover, N. H., was chosen for the principalship and teacher of grades 5 and 6. He is a graduate of Keene Teachers' College, 1938, and had taught in the Andover schools for the past three years.

For grades 3 and 4, Mrs. Gladys Phillips of Antrim was elected. Mrs. Phillips is a graduate of Keene and has had long experience in grade school work. She is particularly adapted for the intermediate grades.

Hancock has been particularly fortunate in retaining the services of Miss Nellie Welsh as teacher of the primary grades. Her work has been of the highest quality.

The high school, under the administration of Miss Bertha Manchester, maintains its superior standing. With the training in service of Cadet teachers, this position is one of great responsibility.

Since Keene is unable longer to furnish music teachers for our grades, we had some difficulty in meeting the situation early in the school year, but have finally made arrangements with Mrs. Mildred H. Whitcomb of Keene who is supervisor of music in Jaffrey, Troy, Fitzwilliam and Dublin.

The present school year has shown encouraging progress and we believe some of the difficulties encountered in past years have been overcome.

I desire to express my appreciation of the support given me by the school board, parents, teachers and pupils who have co-operated in the important work of directing our schools.
